*A cancellation fee will apply if you do not cancel your appointment with at least two (2) business days' notice (a business day is Monday-Friday, non-holidays).*

*To avoid a cancellation fee, you must contact our office two (2) business days before your appointment to reschedule. (Of course, we do understand significant emergencies and encourage you to contact our office immediately if an unforeseen event occurs, and we will evaluate your situation on an individual basis)*

*For optimal treatment, communication is necessary. Therefore, any missed initial consultations (i.e., no contact with our office) will not be available for rescheduling. If an established patient misses two (2) appointments (i.e., no communication to our office regarding the need to cancel the appointment), then dismissal from the practice will occur.*

*We do our best to accommodate your needs and ask that you respect other patients by giving our office adequate notice when needing to reschedule an appointment.*
