Dr. Laurie Blanscet, D.O., Sharon Ackerman, PA-C, and Emily Stadick, F.N.P., administered the Prolozone Therapy Treatment injection(s) at our office.

One area is considered an affected body part. For example, if the right shoulder requires treatment, it would include the right shoulder blade, but it does not include the left shoulder. Low back treatment includes several injection sites in the low back.

An additional body site requiring treatment is considered a completely different body area. For example, we are treating the knee in addition to the shoulder.

The price is per area treated, not the number of injections given. However, we want results and will extensively treat the area with pain.

We treat patients in Murrieta, Temecula, Perris, San Jacinto, Fallbrook, Winchester, Wildomar, Hemet, and other surrounding cities in the Temecula Valley, CA.

Here at An Optimal You, we value every patient. Cancellations with short notice and missed appointments adversely affect our ability to accommodate patients. Therefore, An Optimal You has a cancellation policy for all initial and follow-up appointments.

A cancellation fee will apply if you do not cancel your appointment with at least two (2) business days' notice (a business day is Monday-Friday, non-holidays).

To avoid a cancellation fee, you must contact our office two (2) business days before your appointment to reschedule. (Of course, we do understand significant emergencies and encourage you to contact our office immediately if an unforeseen event occurs, and we will evaluate your situation on an individual basis)

For optimal treatment, communication is necessary. Therefore, any missed initial consultations (i.e., no contact with our office) will not be available for rescheduling. If an established patient misses two (2) appointments (i.e., no communication to our office regarding the need to cancel the appointment), then dismissal from the practice will occur.

We do our best to accommodate your needs and ask that you respect other patients by giving our office adequate notice when needing to reschedule an appointment.
